

Large Grants Committee
Report to PESGB AGM, April 2017

Due to changes to the society's financial situation, the Large Grants budget this year was reduced to £20,000 and it was decided to limit our awards to PhD studentships.

The following students have been awarded studentships for the 2017-18 academic year:

Grace Coles

Kristine Gorgen

Kate O'Shaughnessy

Plamena Pehlivanova

Matt Plen

Qasir Shah

Two members of the Committee will be coming to the end of their term this year, as will the Chair, so we are seeking to appoint new members.
