

Newsletter Report March 2019

2017/18 Newsletter

In line with the new timetable, the 2017/18 newsletter was published in July 2018. In addition to the usual reports, event reviews and other Society information, it featured original articles, creative writing and even poetry.

To cut down on production costs, we no longer send members a print copy automatically but we do produce a small number and these can be obtained on request. An electronic copy of the newsletter can be viewed here: <http://www.philosophy-of-education.org/dotAsset/36347a97-0f79-4bbc-9c10-d4414f7a3e3c.pdf>

2018/19 Newsletter

Since the newsletter takes a great deal of time to put together, member and PhD Student, Sarah Smith, has agreed help with some of the administrative tasks this time around. If there are other student members who would also be interested in this kind of role, please do let us know. Extra help is always appreciated!

We are just beginning to collate content for the next edition. With this in mind, if you have an idea for an article or indeed something else that might make a good feature, please contact drruthwareham@gmail.com.

Photographs

We often struggle to find good quality, high resolution photographs of our events. If you do take photographs that you would be prepared to have featured in the newsletter, please share them with us via Twitter @PhilofEdGB #PESGB19
